

**2023 MSEN Summer STEM Program**

**Gateway Technology Center  
(on the campus of Wesleyan University)  
July 10 –14 , 2023  
9:00am-3:00pm**

**For Current 6<sup>th</sup>-11<sup>th</sup> Grade Students**

**"Innovations in Electrical Engineering & Technology Camp"**

At the MSEN Scholars Camp, you will experience some of the most exciting work that is challenging professional engineers today. During the program, you will design, build, 3D printing, and code Arduino circuits and Sphero rover robotics technologies. Then, you and your team will work together to solve technical challenges facing engineers today. Each day offers hands-on project-based learning activities and intriguing problems to solve experientially.

**\*Special grant funding allows us to bring this camp to you for \$50**

**Application Process:**

- Complete the application
- You will receive a link to register and pay
- Applications will include a brief statement by the student on why they want to attend camp. Statements should be one or two paragraphs.  
Email to: [ecu.ncstate.collaborative@gmail.com](mailto:ecu.ncstate.collaborative@gmail.com)

**APPLICATIONS and PAYMENTS MUST BE RECEIVED BY MAY 30<sup>th</sup>**
