Printer Camp

For Grades 6th – 9th

If you have ever been curious about 3d printing or have a basic knowledge of it, then this camp is for you! Create your model in a 3d software or edit an already created image to make it your own, then watch it being built in front of your eyes. As you create your masterpiece, you'll learn how to operate a 3d printer and explore the ways 3d printing is shaping our future. The best part? You'll take home everything you printed out and have the skills move forward in your exploration of this technology.

When: July 31- Aug. 4

Time: 9:00am – 3:00 pm

Where: Gateway Technology Center (3400 Wesleyan Blvd. Rocky Mount)
