

**2024 MSEN Summer STEM Program
Gateway Technology Center
3400 N Wesleyan Blvd.
Rocky Mount NC
(on the campus of Wesleyan University)
July 15–19, 2024
9:00am-3:00pm**

For Current 6th-11th Grade Students

At the MSEN Scholars Camp, you will experience some of the most exciting work that is challenging professional engineers today. During the program, we will explore advanced manufacturing & industrial engineering as well as data science. Then, you and your team will work together to solve technical challenges facing engineers today. Each day offers hands-on project-based learning activities and intriguing problems to solve experientially.

***Special grant funding allows us to bring this camp to you for \$50**

Application Process:

- Click on link to apply or go The Collaborative website at ecu-ncsu.org
- You will create an account for the registration and payment

APPLICATIONS and PAYMENTS MUST BE RECEIVED BY MAY 30th

Apply here: [MSEN Summer STEM 2024](#)
