

HEALTH SCIENCE SUMMER CAMP

July 21-26, 2025

Gateway Technology Center

(on the campus of Wesleyan University)

3400 N Wesleyan Blvd

Rocky Mount

9:00AM – 3:00PM

Rising 6-12

Grade
Students

Students will learn about academic and professional requirements, career outlooks, and earning potential in related fields. The program is taught by active practitioners across multiple health science disciplines. Students will have hands-on activities and site tours to an interactive facility.

The camp is \$0 for the students. Lunch is provided. Space is limited.
