

Free Sports Physicals Clinic

Get a head start by scanning the appropriate code to the right and have your forms completed before the event. Forms will also be available at the clinic if needed. There will also be lots of fun activities, including open basketball courts.

There will be several stations for students, including:

- Orthopedic station
- Injury prevention station (with Physical Therapists onsite)
- Well check station
- Multiple stations for the students and parents to receive information from subject matter experts at UNC Health Nash
- Vision screening station
- Height and weight station
