

HEALTH SCIENCE SUMMER CAMP

June 22-26, 2026

Gateway Technology Center

(on the campus of Wesleyan University)

3400 N Wesleyan Blvd

Rocky Mount

9:00AM – 3:00PM (unless otherwise noted)

Optional Saturday experience at Nash UNC Hospital

Rising 6-12
Grade

Students will learn about academic and professional requirements, career outlooks, and earning potential in related fields. The program is taught by active practitioners and educational professionals across multiple health science disciplines. Students will have hands-on activities and site tours to an interactive facility.

Camp is \$0 for the students. Lunch is provided. Space is limited.

Registration opens January 30th 2026
